Re: 2024 Special Services: Intergovernmental Agreement with The School Association for Special Education in DuPage County (SASED)

CC: Board of Education

I am recommending that we continue to partner through an intergovernmental agreement with SASED Transition Center to provide identified services and support as detailed in the student's IEP.

The Administration recommends that the Board of Education approve the Intergovernmental Agreement with SASED. If you have any questions, please contact me at your convenience.

Thank you,

Jamila Cage
