RE: Contract Award Recommendation for Security Bids
Garfield Community School

Dear Mr. Francis:

This letter transmits an update from Plante Moran Cresa (PMC) as it relates to the assignment to assist and advise Livonia Public Schools (LPS) in its selection of a Security Firm for the Project listed above. This update represents the mutual efforts of PMC and LPS administration and staff (the Bond Team) to present a framework in order to identify, evaluate and recommend Firms for this Project.

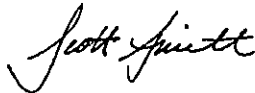

In the spring of 2014, an RFP was publically issued and after subsequent discussions and deliberations Security Designs was selected to be the Security Firm for the 2014 Projects. Security Designs has continued to be the sole provider of these services on bond projects to date. The Bond Team has been satisfied with their work and is recommending Security Designs be re-engaged for this Project. Attached is a proposal for Garfield Community School for the lump sum fee amount of \$12,037.00 plus \$2,500.00 in project contingency for a total project cost of \$14,537.00.

For the Security Firm, the costs for this work will be detailed in a Change Order to their original contract, pending final review and approval of terms by district legal counsel.

The Project Team is available at the Board's convenience to answer any questions regarding this process and/or the recommendations of the Bond Team. Please direct all questions through me via email.

Sincerely,

PLANTE MORAN CRESA

Scott Smith, LEED AP
Senior Consultant

Enclosures: Budget Summary
Proposal Letter
Summary of Cost

SECURITY - BUDGET SUMMARY

	Security Costs		
Building	Budget	Actual	Variance
Garfield Community School	\$ 12,500	\$ 12,037	\$ 463

Dear Mr. Smith,

Thank you for allowing Security Designs Inc. the opportunity to present you with the following proposal for the security control equipment at Garfield School.

This proposal covers the work necessary to complete the general school upgrades to match what has been done in the past. We also have included all the work necessary for the GSRP office and the necessary modifications required for their use. This includes creating an alarm partition for their use. Relocating the Aiphone intercom and adding security sensors in their area. Should a question or concern arise with an application or installation, you can depend on a timely and knowledgeable response.

Again, thank you for this opportunity. If you have any questions regarding any of the information provided, please call my office at (734) 421-0077.

Sincerely,

Chris Lipinski
