- \* This quote does not include site preparation. Any site preparation or excavation is the responsibility of the customer unless otherwise stated. Customer is responsible for a flat, level surface unless otherwise noted.
- \* If color options are available, you will receive a separate agreement to be filled out and returned before your order can be processed.
- \* Price does not include Offloading, Storage or Transporting Equipment, Permits, Bonds or Taxes unless specified.
- \* Customer has 72 hours after delivery to report any damages or shortages.
- \* Kaplan Early Learning Company cannot guarantee the start or completion date of an installation. This includes the manufacture and delivery of products purchased without installation. Variables such as manufacturing, product or material availability, shipping, and weather can adversely affect scheduled commitment.
- \* If you are purchasing a Shade Structure, be advised: The covers should be removed during high winds and heavy snow. Any failures due to these circumstances are not covered by any Warranty.\*
- \* Skid Steer or similar may be used to drill holes or spread groundcover, in this event there may be signs of access afterwards. Installers will, within reason, try to leave the site as was found.
- \* Contract price based on normal digging conditions. Ground conditions (including underground obstacles such as rocks, building materials, etc.) which preclude the use of the BOBCAT 773 OR SIMILAR will require additional labor cost. This includes site accessibility.
- \* Kaplan Early Learning Company is not responsible for vandalism, theft of equipment or subsequent repairs or replacement. Customer is responsible for securing equipment from theft/vandalism prior to and during installation.
- \* Client is responsible for having underground utilities located and marked 5 days prior to installation. This is a safety issue and is non-negotiable. Installation will not begin until this has been completed.
- \* Installers will break down and consolidate all packing materials as much as possible. If a dumpster is on-site material will be placed in dumpster. Removal and disposal of trash is available for an additional charge.
- \* Job Site must be ready when Kaplan is called upon to start job. Any downtime resulting from above mentioned site issues may result in an additional charge.
- \* If installation is not purchased, product may arrive at different times according to the manufacturer's timelines.

**This Quote is valid for 30 days.**

**Quotation pricing is NOT at prevailing wage rates unless specifically noted.**

**Any cost for Shade Structures does NOT include cost for engineered drawings or permits. These cost are the responsibility of the customer.**

**Thank you for choosing Kaplan - we appreciate your business.**
