## Welcome to North Valley High School

Parents/Guardians:

High school is a time that is remembered for the rest of a student's life. I encourage all students to do their best to make those memories positive. Many will experience life changing moments during these years. Your students will meet and work with teachers who will challenge them and help them to know of their full potential and the capacity of greatness waiting within. Your students will make friends that will last forever. Some will experience personal challenges that may at times seem overwhelming. Most students will have opportunities to try new things and push their abilities to new levels. All at North Valley will be surrounded by staff members who care about them and who have chosen to dedicate their lives and time to helping our North Valley Students succeed and move forward into the future.

This year will be full of all kinds of decisions. Your student will have opportunities to make choices hundreds of times a day. I encourage them all to think before making each of those daily decisions. What will the consequences of the choice be for myself and for others? Let the **3R's** of being a Knight govern our daily life by making each decision thoughtfully and with **RESPECT, RESPONSIBILITY, and RESILIENCE**.

We ask that students and staff behave **ABOVE THE LINE** using the **3R's** as your guide. Responsible behavior will lead to good attendance, good grades, good citizenship, and a willingness to take on academic and personal challenges. Respectful behavior will help us create a school atmosphere where all students and staff feel valued and safe. Resilient behavior will help you to overcome the challenges that beset us daily in this life. Strive to make our **3R's (Respect, Responsibility, and Resilience)** a part of who we are and *excellence* will follow. Parents, please model this behavior and help us to instill these important characteristics into your student.

The administrators, professional staff and support services personnel are committed to helping every student grow and learn the skills and knowledge necessary to be successful in their future. We are committed to you and your student. We will work hard for every Knight and will strive to act with fairness, compassion, consistency, and integrity.

## 21st Century Grant Opportunities.....

Three Rivers School District has been awarded the 21st Century Grant. North Valley High School is included in this award this year. The Grant is here to provide services and opportunities for our students outside of school hours. We will be linked with local instruction as well as community partners. All of the classes are drop in and give something new a try. Of course we hope that the students will join in and attend for the whole term of sessions they are interested in. Finally as a school we have a lofty goal we need to have attendance at these functions. Our goal is to get over 30% of our student body to attend activities regularly. For more information on any of these opportunities please contact Melissa Madsen at [melissa.madsen@threerivers.k12.or.us](mailto:melissa.madsen@threerivers.k12.or.us) .

Some of the services offered are:

**Activity Bus** - leaves North Valley at 5:45 Mon-Thurs.

**Sack Supper** - free for all students until they are gone Mon-Thurs. Served at 3:30 pm
