Employee of the Month. January 2011

The Employee of the Month for January is Gwen Golden. Mrs. Golden has been an employee of CHISD for 15 years. She began working in the Special Education department as an Intervention Aide, where she worked one-on-one with students at nearly every campus in the district. Later, she worked as an aide in the Skills classroom at W. S. Permenter Middle School and now works at Permenter in Content Mastery.

Gwen's favorite part of her job is helping students with their work. "I love seeing the outcome when one of them reaches their goals, and seeing their faces when they are successful."

Gwen really enjoys working for Dr. Roache-Davis, W. S. Permenter's Principal. "We have had our share of principals over the years, and Dr. Roache-Davis is like a breath of fresh air to our campus. I have enjoyed her consistency, discipline and support for our staff and students."

About Mrs. Golden, Dr. Roache-Davis says, "Mrs. Golden is a dedicated employee. She has worked in CHISD for many years and serves as W. S. Permenter's ambassador in the community. Mrs. Golden's passion is working with children. She has co-sponsored the cheerleaders for several years. She is not just concerned about cheering at games, she also works with the girls on character and self esteem."

When she's not at work, Gwen enjoys being with her family and reading and working with young people ...not just at school.

Please congratulate January's Employee of the Month, Mrs. Gwen Golden.
