### Agenda Item: Consider Approval of the TISD School Calendar for 2026-2027 and 2027-2028

#### Summary:

Terrell ISD is required to develop a calendar for students and staff that allows students 75,600 minutes of instruction. In developing the calendar for the 2026-2027 and 2027-2028 school year, the following steps were taken:

1. Principals were asked for feedback regarding the current calendar and preferences for the upcoming calendar year were discussed.
2. Instructional needs and timing of assessments were considered (both local and state assessments).
3. Multiple calendar options were developed and discussed by the District Cabinet Leadership Team.
4. The options were shared with teachers, staff, administrators, and community members to collect feedback through the District Educational Improvement Council (DEIC).
5. On November 19, 2025, the District Improvement Committee reviewed the calendar options and overwhelmingly supported the calendar now provided to the Board of Trustees for consideration.
