Note: The firm regularly analyzes the District's tax roll to ensure our efforts maximize collection results. Thus, the work plan below is a general overview of the efforts we initiate on a monthly basis.

Notifications

- Mail first notification in April to early turnover BPP accounts and all other accounts in July
- Mail BPP notice of intent to seize in August
- Mail second notification and 1st follow-up notice in September
- Mail special, targeted communications monthly depending on account status each month

Litigation

- Randomly file lawsuits, with focus on high dollar, chronic accounts each month
- Take necessary steps to move all pending cases through the court system each month
- Conduct monthly Sheriff sales and initiate a resale of struck off property twice a year (May and November)
- When necessary initiate tax seizures to protect the tax lien on business personal property accounts
- File proof of claims in bankruptcy courts throughout the United States where taxes are due, and take actions necessary to secure taxes in the discharge of the bankruptcy

Research

- Conduct skip tracing research on all accounts flagged with bad address
- Secure an abstract of title on property before filing suit on delinquent accounts
- Conduct follow-up research on defendants where citations have not been successfully served
- Initiate any other title or ownership research necessary to expedite resolution and payment of accounts

Taxpayers are encouraged to contact us to resolve their delinquent accounts. We have experienced bilingual personnel available Monday – Friday from 8:30 am to 5:30 pm to assist taxpayers. Each communication represents an opportunity to resolve problems and facilitate the payment of taxes. This chapter of the report summarizes our taxpayer assistance efforts based on the origin of the inquiry (walk-in, by phone or in writing).

B. Payment Arrangements

Taxpayers who are unable to pay their delinquent taxes in full are provided payment plan options based on the criteria set forth by the District. We encourage taxpayers who need assistance to utilize this payment opportunity to resolve their delinquent accounts.

Payment plans help to expedite payment in full by allowing financially challenged taxpayers partial payment options. The Tax Office provides formal payment contracts with specified time periods to pay off the delinquent balance. During the payoff period the account is placed on hold to prevent collection enforcement through legal action. Payment resolutions negotiated by the Firm usually involve business and larger real estate accounts because of the direct contact we initiate to collect the taxes. If partial payments are the only feasible way to resolve the account, we agree to process their partial payments and extend a 30-day hold to make their next payment.

When a payment hold is placed on the account, the Firm will not take legal action to collect the taxes due. All payment holds have a drop date so that collection enforcement can resume as necessary. If an account is already involved in litigation when a payment agreement is made, the litigation process is allowed to continue until a judgment is entered. Efforts to enforce the judgment will not be taken as long as the taxpayer complies with the payment plan.

Tax Office Payment Arrangements		
Time Period	Number of Accounts	Dollar Amount
July 2020	7	\$16,047.20
August 2020	4	\$1,729.64
September 2020	4	\$8,555.22
TOTAL	15	\$26,332.06

CHAPTER IV

Research

A. Address and Ownership Research

The Firm's research personnel have access to national search engines to update address information on return mail or accounts on the tax roll that have an insufficient address. Our in-house research specialists are also trained to resolve complex ownership errors in the deed records. In some cases, the research must go back to the original plats from the 1800's. When a new address or new ownership record is found, we share our findings with the Maverick County Appraisal District so that they may verify the data and update their records.

Address & Ownership Research	
Time Period	Number of Accounts
July 2020	261
August 2020	54
September 2020	79
TOTAL	394

B. Title Research

Prior to the filing of a lawsuit, the Firm will request an abstract of title from our abstractors to ensure that all lien holders are enjoined in the lawsuit. We randomly select accounts for litigation in addition to selecting specific accounts that we have determined require legal action. If title cannot be verified, the Firm's in-house research team will work with our abstractors and Maverick County Appraisal District to complete the title process.

Abstract of Title Processed		
Time Period	Title Orders Requested	Title Orders Received
July 2020	0	13
August 2020	0	0
September 2020	1	5
TOTAL	1	18

CHAPTER V

Litigation

The Firm files lawsuits regularly throughout the year. We continue to work closely with the Maverick County District Clerk, Sheriff's Department and Judiciary to ensure our litigation procedures help to expedite the prosecution of the large volume of lawsuits filed. Dockets are set several times a year and sheriff sales this year will be held twice a year on the steps of the Maverick County Courthouse.

The Firm is proactive in its efforts to collect taxes involved in bankruptcy. We monitor new bankruptcy filings every week to determine if taxes are due to our clients. Claims are filed immediately and include not only delinquent taxes but also current year taxes that will be due the District.
