INFORMATION

BACKGROUND INFORMATION

South Plains Educational Coop is a shared services arrangement including nine area school districts: Anton ISD, Meadow ISD, Morton ISD, Ropes ISD, Smyer ISD, Sundown ISD, Whiteface CISD, Whitharral ISD and Levelland ISD serving as the fiscal agent. The SSA is governed by the SPECO Management Board comprised of the nine District Superintendents. The Management Board meets quarterly to approve/amend the budget and to discuss legal issues and compliance specific to students with disabilities.

All nine districts were 100% compliant for the TEA State Performance Plan Indicators #11 (evaluation timelines), #12 (evaluations prior to age 3), #7 (early childhood outcomes) and #13 (transition services). All areas were in compliance for the **2019/2020** school year.
