MAKERSPACE: The committee is making plans about how to have the room painted. It was decided that school colors would be a way to brighten up the space and promote school spirit as well. We have put in a work order to have it painted blue and orange over the summer break.

PBIS continues to discuss combining the CKH concepts into our current program. The CKH team met with Joy from the Flippen Representative on 3/8/2021 and had a very productive brainstorming session.
