RE: Community Schools Update

Community Schools Swimming Pools

The swimming pools in Mammoth and San Manuel have closed for the season. It was another successful year of swim lessons (sponsored by Saddlebrooke), the Sea Lions Swim Team, and open swim.

Community Schools Youth Soccer

The Community Schools soccer program is preparing for our season opener on Saturday September 14. Registrations are in process as of now there are 23 teams. Teams will be participating in matches in Mammoth, San Manuel, and Oracle. This year we have participants from Mammoth, San Manuel, Oracle, Redington, Aravaipa, Dudleyville, Hayden, Winkelman, Kearny, and Eagle Crest.

Community Schools Sea Lions swim team

The Sea Lions had an exceptional season. The Sea Lions have now won 7 straight league championships in a row. There were almost 90 kids participating this year. Special thanks go out to Alex Gort of Oracle for heading this massive undertaking.

Community Schools Events

Planning has already begun for movies, blood drives, food drives, dances, fundraisers, and other activities.
