Subject: Livonia Robotics Club Sponsor Gifts

The Livonia Robotics Club at Churchill High School has received several very generous donations from the following club sponsors:

- Aisin Technical Center of America donated \$5,000.
- BAE Systems donated \$5,000.
- ITT Technical Institute donated \$2,000.

These donations are helping the team pay for their registration fees, purchasing robot parts and materials, programming materials, tools, and competition supplies.

I am requesting this gift be placed on the agenda of the March 7, 2011 Committee of the Whole Meeting for consideration at the Livonia Public Schools Board Meeting of March 21, 2011. Thank you.
