

Request for Approval of the 2019-2020 ECISD Teacher Enhancement Pay Scale for Additional Instructional Duties

In June, the Board of Trustees approved the 2019-2020 Compensation Plan. In the approved plan, the ECISD Teacher Enhancement Pay Scale for Additional Instructional Duties was calculated on the 2.5% General Pay Increase scale. The plan should have been calculated on the 4.0% General Pay Increase scale. The corrected Enhancement Pay Scale is attached alongside the incorrect version.
