

~~6030 INSTRUCTIONAL RESOURCES~~

~~One of the primary objectives of the School District is to provide instructional resources that enrich and support the educational program of the school. Instructional resources are designed to:~~

- ~~1. Provide a wide range of experiences on all levels of difficulty with diversity of appeal, presenting different points of view, reflecting non-sexist and non-discriminatory roles, attitudes, values, and concepts.~~
- ~~2. Stimulate growth in factual knowledge, literary appreciation, aesthetic values, and ethical standards.~~
- ~~3. Provide background of the many religious, ethnic, and cultural groups and their contribution to our American heritage, literature, arts, and sciences.~~
- ~~4. Provide a variety of formats to give students and teachers the opportunity to select the media best suited to the learning needs of individual pupils.~~

~~The School Board supports the principles of intellectual freedom inherent in the First Amendment of the Constitution of the United States and expressed in the "Library Bill of Rights" of the American Library Association, "The Right to Read" published by the National Council of Teachers of English, and "The Freedom of View" written by the Educational Film Library Association. In the event that materials are challenged, the principles of intellectual freedom, the right to access of materials, and the integrity of the licensed staff must be upheld while reevaluating the material in question.~~
