

SUBJECT: Consideration and possible approval of the 2025-2026 PK-High School Student Handbook and authorization for possible future changes due to legislative updates.

BACKGROUND: Campus and central office administration are provided an opportunity annually to review and suggest additions, deletions and/or modifications to the student handbook. Revisions include changes in district regulations and/or policies and protocols, updated information regarding eligibility calendars, testing dates, and various programs.

FINANCIAL IMPLICATIONS: None.

RECOMMENDATION: We recommend approval of the 2025-2026 PK-High School Student Handbook and authorization for possible future changes due to legislative updates.
