This will be a great opportunity for students to prepare for military service and gain valuable exposure to career and technical occupations. They will be better prepared for education and careers.

<b>Karli Saracini</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I approve the expansion of AMFRA into Arkansas. Look forward to seeing the impact on student learning through this unique learning experience.
<b>Dr. Eric Flowers</b>	<input checked="" type="checkbox"/> For <input type="checkbox"/> Against <input type="checkbox"/> Abstain	I support the approval of this charter. Given the very structured and disciplined environment, it is my expectation that this will promote a great learning environment to successfully intergate the first responder courses with the core curriculum.

AMFA will offer students a unique opportunity to learn about service in the Armed Forces and first responder careers. They have a record of serving low income and minority students.
