Alliance Specialized Systems is pleased to provide our quotation of Forty-Eight Thousand Five Hundred Dollars (\$48,500.00) to provide material, design and labor to install the wet pipe automatic fire protection sprinkler system.

Price to include the underground fire line starting at street, boring & casing, one above ground backflow preventer, one fire hydrant to one foot above finished floor inside riser room and back out to street with a free-standing fire department connection.

Exclusions:

1. Alarm or electrical work
2. Painting of exposed pipe
3. Tx-Dot permits if required
4. Compaction to 90% or better
5. Soil testing fees if applicable
6. Landscaping to its original state

THIS AGREEMENT CONSISTS OF THESE AGREEMENT PAGE AND THE TERMS AND CONDITIONS ATTACHED HERETO and is the complete agreement between the parties. Customer acknowledges that he has read this agreement, understands it, and agrees to be bound by its terms and conditions. Neither party shall be bound by any statements or representations not contained in this agreement.

Respectfully submitted,

Ed De Rueda
