## **SUPERINTENDENT APPROVAL**

### **BACKGROUND INFORMATION**

Whenever an employee resigns or retires from the District, the administration considers each position being vacated before filling that position.

The Board of Trustees approved amending board policy DC(LOCAL) at the April 15, 2021 board meeting, to delegate authority to the Superintendent to hire all professional staff with the exception of administrative positions in order to secure a teacher, diagnostician, LSSP, counselor, therapist, school nurse, etc. at the earliest possible date instead of having to wait until the next board meeting for Board approval and risk losing these hires in the interim.

The Superintendent has approved the hiring and contracts for the following professionals:

Estefanya Villagran	LABC	Bilingual PK Teacher	Professional Employee Probationary Contract with Addendum
Haley George	LMS	Science Teacher / Girls Coach	Professional Employee Probationary Dual Assignment with Addendum
