

SUBJECT:	Consideration and possible approval of the Campus Improvement Plans for the 2025-2026 school year.
BACKGROUND:	Campus site-based decision-making committees have reviewed data that focuses on student achievement, attendance, drop-out rates, strategic planning, and other criteria related to their campus plans. Campus plans have been revised to reflect the District Strategic Plan, District Improvement Plan, and include district/campus goals, performance objectives, and strategies for the 2025-2026 school year.
FINANCIAL IMPLICATIONS:	Budgeted items are identified within the campus plans and are allocated within the approved budget for the 2025-2026 school year.
RECOMMENDATION:	We recommend approval of the Campus Improvement Plans for the 2025-2026 school year.
