Re: Elementary School Attendance Boundary

As previously communicated, the new neighborhood (Stadium Ridge Apartments) currently being developed directly north across the street from Stadium Drive Elementary on Stadium Drive is slated to attend Orion Oaks Elementary with our current district boundary map. We will be altering the district boundary map to have this development attend Stadium Drive Elementary. This redistricting will impact only this neighborhood. Upon completion of the housing development and as families move in, elementary-aged students will attend Stadium Drive Elementary. Please see the attached maps for reference.
