

ALEDO ISD BOARD MEETING TEMPLATE

MEETING DATE: April 17, 2018

AGENDA ITEM: Consider Approval of School Bus Order Related to 2015 Bond Program

PRESENTER: Earl Husfeld and Ken Burns

ALIGNS TO BOARD GOAL(S): Financial/Facilities – The District shall exhibit excellence in financial and facility planning, management, and stewardship.

BACKGROUND INFORMATION:

- Per Board Policy CH (Local), any single, budgeted purchase of goods or services that costs \$50,000 or more, regardless of whether the goods or services are competitively purchased, shall require Board approval before a transaction may take place.

ADMINISTRATIVE CONSIDERATIONS:

- Included within Proposition 2 of the 2015 Bond Election was the purchase of 24 school buses.
- As you will recall, the Board of Trustees approved an order of twelve (12) school buses in June 2015, while an order of six (6) school buses was approved in November 2016.
- Based on current replacement needs of buses serving the District's special needs students, coupled with the increased number of special needs students, we are proposing the purchase of two (2) special needs school buses at this time.
- To ensure the best pricing and value, the District utilized the TASB BuyBoard cooperative purchasing method to obtain the proposals on the following pages from Rush Truck Center/Rush Bus Center.
- The proposed school buses for purchase are "stock" units. Therefore, the projected delivery date of these buses is two (2) to four (4) weeks after receipt of order.

FISCAL NOTE:

Total cost of \$180,400.00 plus an \$800.00 TASB BuyBoard fee will be paid from 2015 bond funds allocated for the purchase of school buses.

ADMINISTRATIVE RECOMMENDATION:

The Administration recommends the Board of Trustees approve the proposal submitted by Rush Truck Center/Rush Bus Center for the purchase of two (2) school buses as presented on the following pages.
