

Executive Director Board Report

October 28, 2025

- The first quarter of the school year has been a productive and busy time as students and staff settled into routines and responsibilities associated with returning to school. Students have completed benchmark assessments to monitor reading progress in accordance with the READ Act. The first quarter will conclude on November 6, 2025.
- Our Professional Development/READ Act day, held on October 15, provided staff with meaningful opportunities to deepen their instructional practices. Teachers engaged in LETRS training while those who have completed the READ Act requirements participated in sessions focused on Due Process, the Minnesota Comprehensive Assessments (MCA), the Minnesota Test of Academic Skills (MTAS), and ACCESS testing.
- CVSEC currently employs teachers working under H-1B visa status. I will provide the Board with an update on the potential implications of the recent September proclamation and how it may affect future teacher recruitment efforts.
