SUBJECT: Fiscal Year 2023-24 Audit Report

BACKGROUND

Jim Eichten, from independent audit firm LB Carlson, will present the results of the fiscal year 2023-24 audit. The report will highlight results from both compliance and financial perspectives.

Overall, budget resources are allocated to help the district make progress towards achieving the items stated in the Strategic Framework, which in turn, drives the work of district staff and administrators. Within the Strategic Framework, we are committed to equitable practices by being accountable for removing barriers and creating equitable systems. Further, the five goals of the Strategic Framework and their underlying strategies have been developed so that programming and educational resources are directed toward helping all students achieve their personal goals and academic potential.
