

## Consent Item

**Date:** November 11, 2024

**Division:** Finance

**Subject:** Renewal of CSP #2678-20 Fire Sprinkler Repairs and Services

### Background Information:

- The Board of Trustees awarded CSP #2678-20 Fire Sprinkler Repairs and Services on October 19, 2020. If approved, this renewal would be the final year of a five-year term.
- During the annual inspection, fire sprinkler systems are checked to ensure all components are functioning properly, including all gauges which must be replaced every five years as required by the State Fire Marshal's Office.
- This bid supports the repair of any items documented in the annual fire sprinkler system inspections and may be used to address any other services or repairs needed throughout the year.
- With multiple vendors, the District will have access to an increased range of vendor's products, services, and pricing to help provide the best value.
- Best value involves considering several factors, which may include, but are not limited to price, quality, availability, delivery timing, support, and other relevant factors. Awarding to multiple vendors does not obligate the District to make purchases.

### Administrative Consideration:

- Funds for these services will come from the Facility Services approved annual budget.
- Previous annual expenditures:
  - 2023-2024: \$52,470
- Estimated annual expenditures: \$61,000 but will not exceed the approved budget.
- This procurement complies with Section 44.031 of the Texas Education Code.

### Recommendations:

- That the LISD Board of Trustees approves the renewal of CSP #2678-20 Fire Sprinkler Repairs and Services, the estimated expenditures, and the recommended vendors for one year.

### Timeline/Report:

- Term: November 2024 – October 2025
