For other employees, the Superintendent shall assign positions to pay ranges that define the minimum and maximum base pay for the position. EXEMPT / NONEXEMPT	The Superintendent shall determine the classification of employees as "exempt" or "nonexempt" for purposes of payment of overtime in compliance with the Fair Labor Standards Act. Exempt employees shall be compensated on a salary basis for their

employment period and are not entitled to overtime compensation. Nonexempt employees shall be compensated on an hourly wage basis for all hours worked each week and shall be compensated for overtime in accordance with federal regulations and the District's compensation plan. Nonexempt employees shall not work overtime without prior approval of their supervisor.

If an employee has a balance of more than 60 hours of overtime, the employee will be required to take compensatory time or, at the District's option, will receive overtime pay.

Compensatory time shall be used within the duty year in which it is earned. The District shall pay an employee overtime for all unused compensatory time remaining at the end of the fiscal year. Use of compensatory time may be at the employee's request or as determined by the employee's supervisor to protect the District's schedules and activities.

The employee shall be compensated for these assignments according to the supplemental duty pay schedule system approved by the Board. These assignments may be discontinued at any time for any reason or no reason, by either party. The assignment of these duties shall not create any expectation of continued assignment to that same duty or any other duty.

OVERTIME COMPENSATION Supervisors of nonexempt employees shall ensure an agreement or understanding with the employees regarding the form of compensation for overtime (cash or compensatory time off) prior to the performance of the work occasioning the overtime duty. These agreements or understandings need not be in writing, but the supervisor shall maintain some record of them, such as a calendar notation, a memo to the file, or some similar indication that the employee was notified of the type of compensation to expect.
