

BBRCTE-LAKE & PENINSULA SCHOOL DISTRICT BOARD REPORT

Focused on bringing high-quality CTE education to the students of Bristol Bay

Flying into Summer

During the first week of May, 6 of our aviation students, who completed the online ground school traveled out to Palmer to take part in BBRCTE's Aviation Intensive. During this week, the students are able to complete their pilot's physical, learn from a certified flight instructor, and take the written FAA exam!

Cultural Arts & Small Business

The last week of April saw BBRCTE host its final intensive week of the 2021/2022 school year. Students from across the region traveled to Naknek and Dillingham to take part in a variety of classes. One of the programs offered during the week was our Cultural Arts/ Tribal Entrepreneurship class. This new course not only instructed students on how to create traditional art but also gave them tips on how to run a small business, including marketing and pricing.
