#### **“Talk About It” – Bullying Prevention Program at THS/TMS (TPSD Goal #2)**

**Mrs. Diana Ezell  
Assistant Superintendent**

Mrs. Ezell will present information regarding Talk About It which is the first and only anonymous communication service that gets students the help they need. Talk About It allows faculty to meet students where they are – online and with text message – to solve issues. By reducing the stigma of communicating with trusted adults, the patent-pending service allows students to open up and break the “code of silence.
