February 2011

Cut days make great attendance more important than ever!

Three Rivers School District along with the State, & the nation for that matter, are in dire financial crisis and thus a reduction in instructional days for this school year. It pains me and the District Leadership to be in this situation, but it is our reality.

This fact makes your child's attendance more important than ever. The incredible staff at Evergreen is going to make every effort to give our students the information they will need to advance academically. This means that we will be utilizing our instructional minutes as efficiently as possible. More content in less time means that the negative impact of an absence is magnified.

Read Across America Day will be celebrated on Wednesday, March 2, at Evergreen with all students receiving books and bookmarks supplied by the Evergreen SMART Program and their volunteers.

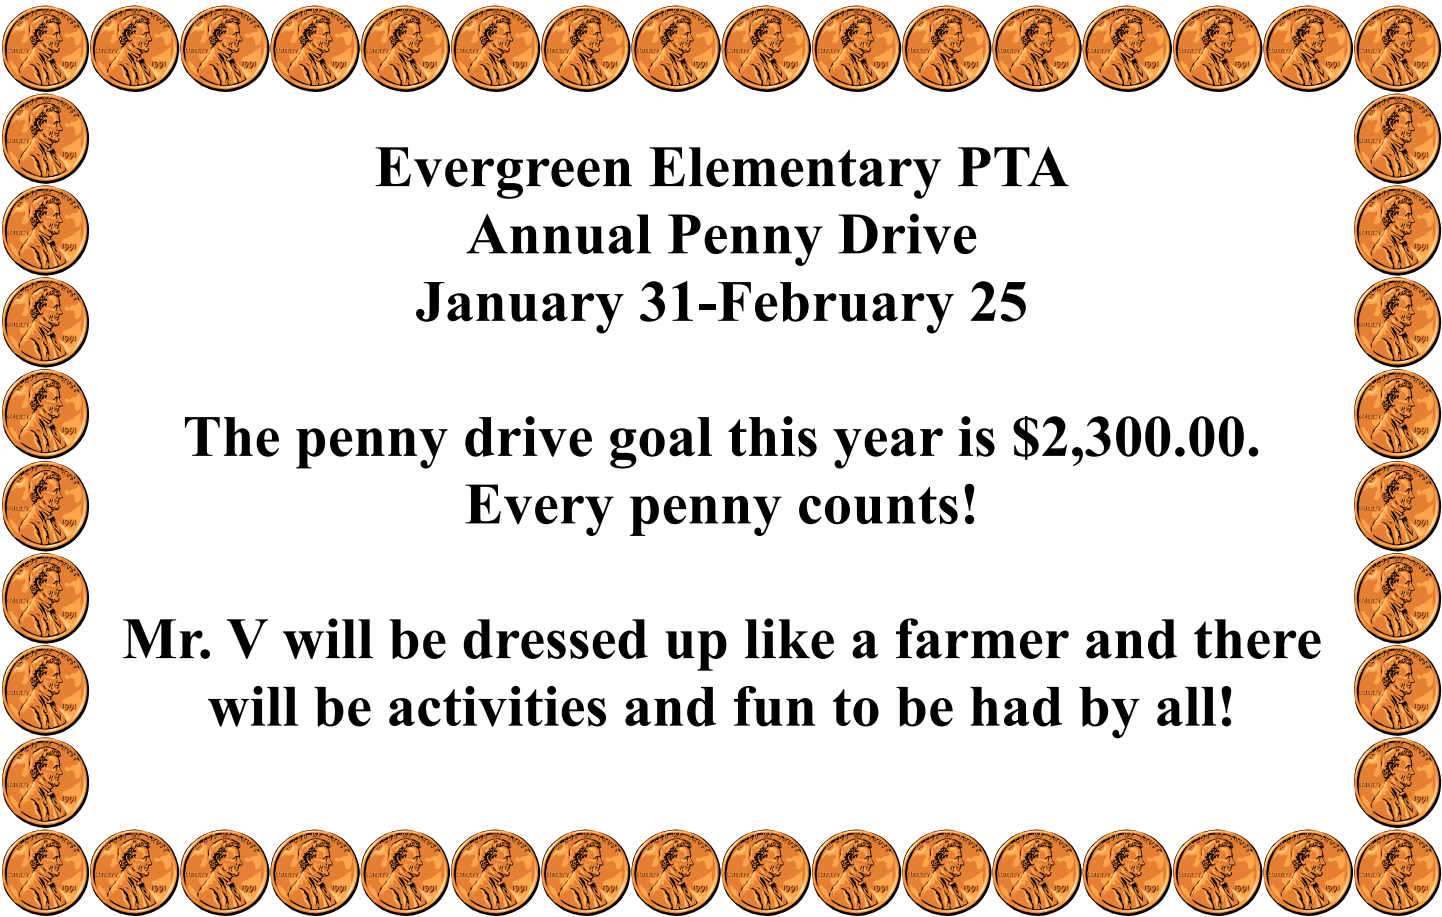

GET YOUR YEARBOOK ORDER IN NOW!

No form necessary . Please include the following information :
Student full name, Grade & Teacher. Cost of a Yearbook is \$6.00 each.

FYI

Ms. Ryan's First Grade class just finished an author study on Leo Lionni. We read many of his books and did several collage art projects. To top it off, we made a class book. We had an enriching and fun time!

Thank you to all the friends and parents of our Evergreen students!

Once again we would like to thank each of you personally for your donations of clothing and shoes for emergency use by our students. The Evergreen staff appreciates all you do for our children.

Thank you also to Mary Jo and Gary Longnecker for the generous donation of yarn for art projects.

Note to parents: Please remember to put your students name in all coats, backpacks, lunchboxes etc. We have several children with the same backpacks, lunchboxes, etc.

Jubilee Park playground renovation project in full swing! Pancake breakfast fundraiser set Saturday, Feb. 12, 8:00 a.m.-noon.

Parents and Guardians:

When writing your notes for your student's bus, absence etc., please include the child's first, last name and teacher. While we try hard to recognize students, it is hard to excuse the correct Johnny, when there are five or six Johnny's, and the parent's last name is not always the same as the child.

Child Find for Special Education

Public Law 105.17, known as the Individuals with Disabilities Education Act (IDEA), requires that school districts provide a free and appropriate education to all disabled children and young adults from birth through 21 years of age. The Three Rivers School District requests assistance with the identification of any disabled children ages Birth through 21 who are not enrolled or currently being served in one of the District's schools.

If you know of any disabled children ages 0 through 21, who are not receiving education services, please call the Three Rivers School District Special Education Department at **541-862-3111 x 5202**.
