Re: Recommendation of Compostable Fiber Lunch Tray Bid

On September 15, 2022, the Food and Nutrition Services Department received two bids for the compostable fiber lunch trays:

- NJF Worldwide LLC, based in Neptune City NJ, did not meet the minimum specifications of the bid package and the total price quoted was \$87,000.00.
- MMAS Solutions, based in Livonia MI, met all the specifications of the bid package and the total price quoted was \$35,850.00.

It is my recommendation that the District partner with MMAS Solutions to supply compostable fiber lunch trays.
