

DU PAGE ELEMENTARY SCHOOL DISTRICT 13
BOARD OF EDUCATION
Bloomington, Illinois
Regular Meeting May 20, 2019

FOR ACTION

Subject: Approval of the Disbursement of Merit Based Pay

Last spring, the Board of Education decided to establish 3% salary increases for the administration with the opportunity to earn 2% by the end of the year through the completion of goals related to their professional roles.

Approving the disbursement this evening will allow for the 2% lump sum to be processed in enough time to be accredited to the current fiscal year. The next board meeting date of June 24 would not have afforded this chance.

Recommendation: The Board approve the lump sum disbursement of 2% to each administrator for the successful completion of goals during the 2018-2019 school year, as presented.
