Minidoka County School District Attendance Incentive Request Form Due Date: August 13, 2018

School: West Minico Middle School Amount Requested: \$2000

Please list what the incentive money was used for (be specific): <u>We are going to partner with a local</u> <u>business to use their inflatable money machine that a select number of students would be chosen to</u> <u>participate in each month. The amount requested would be used for the cash that would go inside. We</u> will also be having weekly drawings for \$5 gift cards to local businesses.

Do you plan to change usage of money received?

No

How do you feel this will increase attendance? We believe that students will be motivated by prize drawings and by the prospect of getting money in their pocket. We believe that having a weekly and monthly incentive will help kids be motivated both in the short term and the long term.

Here is the comparison for the last two years: 2016: 95% 2017: 95%

How will you measure the impact this has on attendance? <u>We will be printing and looking at reports</u> with our Building Leadership Team on a bi-weekly basis. We will be reporting this information to our staff on a monthly basis. We will be comparing attendance by trimester to the last two years.
