FACE Conference Presentation

Trojan T.O.T.S. A Community School Success Story

Abby, Kelsey, Erica, and I were asked to present about Trojan T.O.T.S. at the FACE (Family and Community Engagement) conference in Sun Valley October 22-24, 2025. It was great to highlight the amazing work happening in our preschool as well as the partnerships and services are community school strategy continues to create.

Trojan Connection Food Pantry

On Wednesday, November 5th our food pantry saw a large influx of families. Our numbers essentially tripled from serving approximately 40-50 families per week to 130 families. We are working with the Idaho Food Bank to secure an emergency distribution since our pantry is virtually empty at this time.
