Re: LPSD Spirit of Caring Award

To: Lake and Peninsula School Board
Kasie Luke, Superintendent
Bill Cornell, Director of Personnel
Laura Hylton, Director of Business

At the final Board Meeting of the 2020-2021 School Year the Board authorized me to award one grant each year in recognition of a person or family that has gone above and beyond in support of a student(s).

The Board authorized an amount up to \$3,000 each year for this award.

After careful consideration I want to provide this year's Spirit of Caring Award to Ms. Amber Christensen-Fox.

Ms. Fox and her family have opened their home this year to one of our students. If not for this generosity and support I'm afraid this student may very well have been homeless. Not only did Ms. Christensen-Fox provide a safe place but the moral and spiritual support so this student would complete all credits needed for graduation.

My sincere thanks to the Board for their generosity and allowing me the privilege of recognizing Amber's act of kindness and love.....
