

Current roster includes 134 students and 13 adults (adults pay \$0). This number could change by a kid or two over the next couple months. A travel director will personally escort the tour and will work with us daily to assure us of a (hopefully) trouble-free trip.

Two parent meetings will occur: One took place on Tuesday, December 1 and another will be held on Tuesday, April 6. All fund-raising will be coordinated by Jill Starr.
