Approval of Change of June Board Meeting Date

Purpose

The District is currently preparing the FY26 Amended Budget for formal adoption. Illinois School Code requires a specific thirty day public notice and inspection period between the publication of the budget notice and the final Public Hearing and adoption.

Background and Information

To ensure full compliance with these statutory posting requirements, it is necessary to reschedule the June Board of Education meeting. Moving the meeting date allows for the required timeline to be met following the publication of the notice in the local newspaper.

Administrative Recommendation

It is recommended that the Board of Education approve changing the regularly scheduled June meeting to Tuesday, June 23, 2026.
