The NSBA 2022 Annual Conference & Exposition is the one national event that brings together education leaders to learn about best governance practices, gain insight into child development and learn about new programs and technology that can help enrich student learning. NSBA 2022 is one of the few—if not the only—places where school board members from around the country can receive the training necessary to address the instructional needs of students and to improve the efficiency of district operations.

Preconference #4: Becoming More Engaged & Inclusive Educational Leaders: Strategies for Supporting Our LGBTQ Students

Given the importance and impact that diversity and equity issues play in the lives of students, it is imperative that school boards are prepared to meet the needs of diverse learners, such as LGBTQ students. There are key considerations for effectively supporting LGBTQ students that educators must be aware of. This preconference workshop features a highly customizable and interactive diversity and equity training that helps educators and school board members develop the competency necessary to support LGBTQ students.

CUBE/NATCON: \$200 / REGULAR: \$225
