Little Rock, AR 72201

Dear Superintendent Michael Poore,

Exalt Academy of Southwest Little Rock wishes to respectfully notify you that the following amendment request has been submitted to the Arkansas Department of Education:

Exalt Academy has shown year over year enrollment increases since the beginning of operations, currently sitting at the cap of 540 students. In order to continue to broaden impact on the Southwest Little Rock community, Exalt Academy requests the enrollment cap move to 1080. This would be an incremental change adding 108 students to the cap every year for five years.

Exalt Academy leadership anticipated this matter to be considered by the Arkansas Department of Education Charter Authorizing Panel on December 14-15, 2021.

If you would like to discuss this proposed amendment, I can be reached at 501-683-0085 or tlong@exaltacademies.org

Respectfully,

A handwritten signature in blue ink that reads 'Christina Long'.

Superintendent
Exalt Academy of Southwest Little Rock
