“I am excited to be on SSLAC because I want to bring everyone’s idea together and bring those ideas to the board. I want to be part of the decisions that happen at my school.”

## How's 6<sup>th</sup> Grade Going?

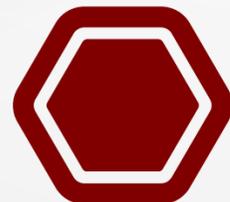

- Going really well.
- It was easy to transition to HMS
- The teachers do a great job of making sure we are comfortable
- I've enjoyed more hands on experiences like experiments, projects, and other things.

## Activities at HMS

- Cheer
- Costume Crew for the play
- I had interest in cross country but it didn't work with my schedule this year. I've heard positive things from friends.

## Observations from Charlie

- Keeping study hall open later may be a good option for students riding the bus.
