SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

Article I

PURPOSE

The purpose of the varsity drill team is to promote spirit and sportsmanship at school functions and to serve as a performing group representing the high school throughout the community, state, and nation.

Instructional and performance activities are affirmatively directed toward development of individual member improvement, resulting in a highly skilled performance group. Each student selected must be aware of the time commitment and individual dedication demanded in striving for personal improvement and teamwork through responsibility and discipline.

Students are exposed to teaching, practice, and performance opportunities that result in the development of responsibility, self-respect, and that encourage honest effort in striving for excellence. These opportunities also develop character, team building skills, sportsmanship and pride in quality performance and physical fitness by emphasizing the maintenance of high standards.

DEFINITION

Drill Team year: The rules and procedures outlined in this constitution are in effect from the time the student is selected to the drill team squad until the tryout the next school year. This does not include the academic guidelines. Because of TEA rules, the academic policies are in effect for a school year.

Article II

SELECTION

Students may try out at the end of their 8th grade, freshman, sophomore or junior year.

All varsity drill team members will be required to try out for the team each year regardless of previous number of years' experience. Failure to participate in the tryout process will result in removal from the team.

Each director will be responsible for the preparation and distribution of a packet of information to be made available to all candidates. This information will include specific tryout dates, times, attire, and procedures. This information must be approved by the building principal prior to distribution.

Candidates and parents must sign a form stating that they understand and will comply with all information in the packet before the student is allowed to participate in the tryout process.

The Scurry-Rosser Independent School District will hold a centralized tryout for the selection of high school drill team line members. The goal of the centralized tryout will be to provide a consistent, equitable and monitored tryout process for all high school drill team candidates. The tryouts date will be determined by the principal and director.

The date will not be during the week of the nine weeks and/or State-mandated testing. Every student wishing to audition must do so on this date with no exceptions.

Any student who arrives at the tryout site after the tryouts for that campus have started will not be allowed to try out.

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

There will be no application fees or tryout fees for students trying out for drill team.

The school district will bring in judges to assist in the selection process. The director will have final approval of judges hired. There will be a four to five-member judging panel that will score candidates. Each candidate must score a minimum of 70 out of a possible 100 points in order to be placed on a drill team.

Scores given to a student by an individual judge will not be changed by a director or principal.

Parents will not be allowed in the building during any phase of the tryouts.

Line Members:

- A. Must have passed every subject with a minimum of 70% in the grading period immediately prior to try outs.
- B. If a student has failed any two grading periods prior to tryouts the student is not eligible to try out.
- C. Must pass citizenship evaluations completed by teachers, scoring an average of at least 21 points on a scale of 35.
- D. Students enrolled in DAEP are not eligible for tryouts.
- E. If a student has had more than 3 visits to ISS, she will be ineligible to try out.
- F. Must be considered a student in good standing by the campus principal. Unacceptable acts of misconduct as designated in the Student Code of Conduct will deem the student ineligible.
- G. Must have a parent or guardian give written permission to try out, and agree to meet all financial obligations.
- H. Must attend try out clinic to learn the dance, as scheduled prior to try outs.
- I. Will be chosen according to those who rank highest in evaluation of performance at try outs. Try outs will be judged by a panel of experienced and impartial dance/drill team officials.
- J. Must try out again at the end of each year regardless of number of years' experience.

Officer Candidates:

- A. Must currently be members in good standing of the Stars Drill Team.
- B. Must have passed every subject with a minimum of 70% in the grading period immediately prior to try outs.
- C. Must not have become ineligible to perform because of grades, discipline, or citizenship during the current year's performance season.
- D. Must pass citizenship evaluations completed by teachers, scoring an average of at least 21 points on a scale of 35.
- E. Must choreograph an original dance to perform for the judges.
- F. Must appropriately answer a question posed by the judges.
- G. Final officer try out scores will consist of the sum of points earned from the following: citizenship average given by teachers (35 possible points), dance routine (100 possible points), judges' question (35 possible points), and leadership points given by sponsor for helping line candidates (30 possible points).
- H. Captain will be awarded to the officer candidate earning the highest overall score. Other positions (such as but not limited to Co-captains, 1st Lieutenant, and 2nd Lieutenant) will be awarded if needed by the director according to next highest score.
- I. Officers must try out again at the end of each school year regardless of previous number of years' experience.

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

Candidates selected to be a member of the drill team are expected to make a commitment to the activity for the full year. Any drill team member who voluntarily quits the team before the end of the school year will not be allowed to tryout at the next tryout session unless he/she has had prior approval from the principal and director.

Varsity drill team candidates are required to submit the Pre-participation Medical Evaluation-Medical History form prior to tryouts. Once a candidate is selected as a member of the drill team, the member will be required to complete the physical form. ALL drill team members must complete this form each year. SRISD will offer low cost physicals through the athletic department during the month of May.

INJURY AND USE OF VIDEO

In the case of physical injury prior to the tryout, the director must be notified for permission to have any deviations in the tryout procedure.

A video can only be used after notification of the director, and only in the case of an injury that impairs a student from participating in a "specific skill" of the tryout. If a video is used, only a small segment of the video that shows the "specific skill" done by the student prior to the tryout may be judged.

A medical doctor's note indicating the specific skill the student is incapable of performing will be required prior to video use.

VIDEO USAGE GUIDELINES

(Directors will make these guidelines available to judges if a video is used for tryout.)

The judges shall be instructed to consider "absence of pressure," lack of physical/respiratory exertion, vocal ability, and note if a candidate is using a hard or spring floor when performing specific skills" on video.

The candidate must perform each individual "specific skill" required in the tryout to receive credit/points.

No score reduction or credit shall be exercised due to the claimed injury. However, in light of the above considerations, a perfect score for any "specific skill" or category should be rare.

JUDGES

Judges will be selected from qualified professionals and can include directors from high school and/or college campuses. Every attempt should be made to hire outside judges who have not worked with students in the Scurry-Rosser area. Professional judges with outstanding credential and references will be hired for all tryouts. They will be instructed to judge the candidates based only on the mastery of the skills that they see demonstrated during the tryouts. Tryout results will not be challenged because of prior knowledge of judges and candidates.

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

TRYOUTS

Tryouts will be closed to everyone except judges, directors, principals, and principals' designees. There will be no students, parents, or existing drill team members who are not part of the audition in the tryout room/area, nor will they be involved in the collection or tabulation of scores.

Any deviation by the candidates from the tryout requirements may result in the disqualification of the candidate.

When the tryouts are completed, only the campus administrator and tabulation person will be allowed in the tabulation room. When all scores are reviewed and ranked, the drill team director and assistant will be allowed in the room to review the totals. No one else should be in the tabulation room.

Scores given to a student by an individual judge will not be changed by a director or principal. Complaints about any aspect of the tryout process are subject to the requirements of SRISD Board Policy. Copies of such policy may be obtained from the school principal.

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

- D. The possession and/or use of alcohol, tobacco, vapors and illegal drugs are expressly forbidden and will not be tolerated. Any infraction, on or off campus, will result in a principal/director/parent/student review. Dismissal from the team may result from this review. A second infraction will result in the immediate dismissal from the drill team.
- E. Drill team members will wear practice and performance uniforms as designated by the director.
- F. No visible tattoos or body piercings/spacers will be allowed during any drill team function/activity. Failure to abide by this policy will result in point deductions for insubordination.
- G. Maintaining a higher standard of conduct will also include ensuring that drill team members' websites are appropriate. The internet is a worldwide, publicly accessible form of communication. Any communication such as Facebook, Twitter, Instagram or any photo sharing, etc. appearing on the internet is public domain even if it is marked private. Drill team members are responsible for their personal websites and postings as well as for postings on other students' websites. The area of appropriateness will include, but are not limited to, language (abbreviated or alluding to), pictures, suggestive poses, clothing, reference to alcohol, drugs, and tobacco or cyberbullying. Any question of appropriateness will be decided by the principal and director.
- H. Any criminal activity by a member of the drill team at a drill team/school function, whether on or off campus, will result in a review by principal and director and possible removal from the team. If the school administration deems that removal is not warranted, the drill team member will have points deducted based on the school discipline as outlined in the constitution. (suspension).

PROBATION AND REMOVAL

Resignations from the team must be in writing, must be signed by both the member and a parent or legal guardian, and must give the reason for resignation. All financial obligations must be met and all team property returned in good order before resignation will be accepted. Student will not be eligible to try out again for a period of one year following the resignation.

A. *Probation-Academic*

A drill team member may be placed on *academic* probation for academic/citizenship reasons as stated in the TEA/SRISD policies. If a member is placed on academic probation, that member will also be on probation regarding the specialty groups and may not audition for or perform with such groups for the remainder of the academic probation term. Students who are placed on

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

academic probation twice in one year will automatically be on probation with regard to specialty groups for the remainder of the school year.

B. Probation-Disciplinary

A drill team member may be placed on *disciplinary probation* for indicated periods of time as described in the Regulations/Policies and Attendance sections of this document.

A drill team member on disciplinary probation will not be allowed to participate in auditions or performances of the team, or of specialty groups, as defined in the specialty groups section of this constitution.

Any member, line or officer, who loses eligibility twice in a performance season because of grades, conduct, or citizenship will be dismissed from the team for the remainder of the school year, but may try out again for the following year.

C. Removal

A violation of the Student Code of Conduct while in uniform, including field uniform and pep-rally uniform, will be grounds for immediate dismissal. The highest degree of good conduct and good citizenship is expected any time a member is representing the Stars.

A drill team member will be removed from the team after two disciplinary probation periods in one year. Removal occurs once point deductions reach 22 or more. If the student progresses to 22 or more points without having served other disciplinary actions, or during a disciplinary term, removal is still the result, and will be immediate.

A drill team member who is placed in ISS more than one time during the drill team year will be subject to a principal/director review which may result in removal from the squad.

A drill team member who is placed in DAEP (alternative school), suspended, or expelled will be removed from the team, effective on the date of placement.

If a drill team member misses more than ten (10) practices in one term, he/she will be subject to director/principal review which could result in removal.

Students who have been removed and those who voluntarily quit retain no rights to team awards, recognitions, etc., which are received after dismissal, although they may have accrued over the duration of the school term. They lose all privileges associated with varsity drill team membership, including attending drill team-only events, using drill team facilities, and wearing drill team attire.

A drill team member who has been removed from the squad on any S-R ISD campus will not be eligible to participate in the next tryouts without approval from the principal and director. Areas to be reviewed will include but not be limited to the reasons for the referrals, academic grades, other discipline records, student attitude, and any other factors deemed relevant by the principal and director.

REGULATIONS AND POLICIES

The following are considered rule infractions. Point deductions for each are indicated. Points are strictly used only to determine disciplinary probation periods and are not used for grading purposes.

Points are deducted for one school year, and at the beginning of the next school year, each member's record is cleared. The only exception is if a disciplinary action (benching, probation) has been determined in the previous year but not yet activated. In this case, the disciplinary action will

SCURRY-ROSSER ISD DRILL TEAM CONSTITUTION

become active on the first day of school of the next year, and then that student's record will be cleared.

Benching: Member attends functions in uniform but will not take part in the team performance. With regard to football or basketball games, the member may perform in the stands with the team but may not perform in pre-game, half-time, or post-game performances or festivities.

Probation: Member is not allowed to participate in auditions or performances of the team or of specialty groups. The member is not allowed to travel with the team for any reason. Member may not wear the drill team uniform. Member must continue to attend practices as scheduled during and before/after school hours.

If a student is academically ineligible at the time of a benching or disciplinary probation, the penalty will be served at the time that the student regains eligibility.

-5 points	Benched
-10 points	Benched
-15 points	Benched
-18 points	3-week probation
-21 points	6-week probation

A student will receive a benching after the initial 5 points accrued and every 5 points thereafter. The accumulation of 22 points will result in immediate removal even if no benchings or probationary periods have occurred. Accumulation of three or more benchings may result in a principal/director review.

HEALTH ISSUES

Should the drill team director and/or administrator suspect a health condition that could be injurious to a member if the member continues to perform, the director and/or administrator has a right to ask for a doctor's examination at the member's expense and obtain a doctor's release form before continuing to dance. Dismissal will result when a medical or physical condition prohibits safe performance for more than twelve weeks.

Members may not be exempt from practice for longer than 3 days without a note from a doctor. If the member does need to sit out of practice for medical reasons, they may not be eligible to perform.

FINANCIAL OBLIGATIONS

Because drill team is an extra-curricular activity, there are both financial and time commitments involved in being a part of a successful drill team. These commitments are spelled out clearly for each school in the packets that are distributed prior to tryouts. It is critical that students and parents understand the financial obligations of the organization and the timeline for submitting payments due for materials and/or activities before the student decides to try out for the team.

Any student who fails to make a payment on time will not be allowed to perform with the organization until such time that the financial obligation is satisfied.

Any drill team member who has not met their financial obligation for the current school year will not be allowed to try out for the next school year.

A record of all equipment issued to members will be kept. Students will be assessed the replacement cost of items not returned. Items with excessive abuse and/or items deemed unusable or destroyed must also be replaced at the student's expense.

INCLEMENT WEATHER

In the event of inclement weather, it will be the responsibility of the drill team director, in collaboration with the building principal, to make the decision to leave the event. The decision will be based on what is in the best interests of the students and their health and welfare. If a parent or student voluntarily leaves a drill team event, they will be subject to the penalties as outlined in the drill team constitution.

SPECIALTY GROUPS

Any member is eligible to audition for specialty groups such as: kick lines, elite dance teams, contest teams, officers, squad leaders, etc., unless on academic or disciplinary probation.
