Re: Letter of Recommendation – Stadium LED Retrofit Lighting Bid

I am recommending and seeking approval to award the Stadium LED Retrofit Lighting project at Churchill High School, Franklin High School, and Stevenson High School to Airport Lighting. The project cost for the labor will be \$181, 934.00. This project will be funded through the Capital Projects Fund. The five companies that participated in this bid are as follow:

Airport Lighting	Luther, MI	\$181, 934.00
MHM Construction	Armada, MI	\$210, 500.00
J. Rank Electric	Mt. Pleasant, MI	\$230, 025.00
Rauhorn Electric	Bruce Twp., MI	\$242, 949.00
Innovated Energy Control	Howell, MI	\$306, 790.00

Airport Lighting has worked for Livonia Public Schools on various projects in the recent past such as on the 2013 bond. We also have recommendations from the City of Livonia, Bath Community Schools, and Melvindale-Northern. Airport Lighting also came with recommendations from Musco Sport Lighting, LLC. I have confidence Airport Lighting will complete this project in a timely manner.

Thank you for consideration.
