Board of Trustee Meeting Agenda Item

May 12, 2025

Item: Pilot Bluebonnet Learning Spanish Math Instructional Materials at Southwest Elementary

Contact Person: Tracy Rieger

Presented for: ☒ Action ☐ Report Only

Supporting Documents: ☐ None ☒ Attached ☐ Provided Later

District Goal or Objective Addressed:

Goal 2: Ensure exceptional learning experiences for each and every student.

Background Information:

Bluebonnet Learning Spanish Math Pilot instructional materials will be made available in spring 2025 to Texas school districts wishing to pilot one or more Spanish products in school year 2025–26. Texas school districts interested in piloting materials can do so, provided they 1) agree to provide feedback on the materials and implementation and 2) agree to the pilot licensing restrictions. Once a school district's participation request and acknowledgments are received, access to the designated materials will be granted. Southwest Elementary has been utilizing Eureka Math, the precursor to Bluebonnet Learning Math, during the previous school year, and will be moving to Bluebonnet Learning Math for the 2025-26 school year. This enables them to access the Spanish materials while these are going through final approval in IMRA.

Fiscal Implications:

None.

Administrative Recommendation(s):

Approve Southwest Elementary to participate in the pilot of Bluebonnet Learning Math Spanish materials.
