Subject: CLASS Episode

The next episode of this year's CLASS program is ready to present to our Board of Education. Each CLASS program is developed jointly between the Academic Services Department and Ken McMullen in the Communications Department.

This episode will showcase the new curriculum and teacher resources for Word Study which we implemented in our kindergarten-sixth grade classrooms this year. Word Study is one of the five pillars in our district's Balanced Literacy Program. This episode was developed through the cooperation of our talented district teachers under the leadership of Christine Fankell, the district's elementary literacy facilitator.

Please consider adding this item to the Instruction portion of the February 27, Board of Education meeting. Thank you for considering this request.
