Subject:

Consider Scheduling a Public Hearing to Discuss 2025 - 2026 Budget and 2025 Proposed Tax Rate

Background:

School districts must comply with Property Tax Code and Education Code by following certain steps adopting tax rates. School districts are required to publish the Notice of Public Meeting to Discuss Budget and Proposed Tax Rate. This notice must include the date and time of the public hearing and the proposed tax rates. The Board of Trustees approves the date of the public hearing and votes on a proposed maintenance & operations tax rate and a proposed debt tax rate that will be published in the notice. School districts may adopt a maintenance & operation rate and a debt rate lower than the published rate if the calculated rate decreases after publication. Both rates may not exceed the published rate unless the district publishes a revised notice.
