Agenda Item: Judson Education Foundation 2018 State of the Foundation

DISCUSSION ITEM

RECOMMENDATION:

It is recommended that the Board of Trustees be presented with a report on the State of the Foundation over the 2017 year. Because the Judson Education Foundation raises funds to support innovative teacher and principal grants and student scholarships for the students of Judson ISD, it is important for the Board to be kept abreast, each year, of the impact that the foundation is having on the district.
