**BUDGET AMENDMENTS
February 10, 2016**

Action Budget Amendments Requiring Board Approval – Per Board Policy CE – Annual Operating Budget, all revisions to district budgets increasing or decreasing total budgets, or changing budget amounts by function require pre-approval by the Board.

Amendments are either changing the total funds available to the District, based on some change from what was originally budgeted, or redirects funds between functions to best utilize funds for the district mission. These amendments are intended to revise district budgets to match available funds, and to best align district funds with the financial needs of the district. Amendments can involve any fund within the district.
