Principal's General Narrative:

We have had a good first 6 weeks of school. Teachers are working diligently to serve our students and most of the students are taking advantage and working hard. I and all members of the high school and junior high appreciate the time and effort that school board members give on our behalf. We recognize that without the great leadership from the school board and Mr. Westbrook our direction of continued and greater success would not be possible.

We are getting ready for TAKS – M Field tests during this week (October 5, 2009 to October 9, 2009).
