

Remote Planning Survey 8-28-20

Positives:

Students are checking in doing the work. (More than at the end in the Spring)
Grade Level and Departmental are working well together.

Time is the biggest issue. Teachers are putting in a ton of extra time.
Doing 2 jobs at once.
Getting phone calls, emails, and messages from parents while teaching.
Lack of student engagement and participation.

Chromebooks

We have received the chromebooks for 6th grade and 9th grade, as well as the Title I and 10 of the 230 ones for Lincoln School. I want to thank Amanda Skinner for getting the 6th grade and 9th grade chromebooks ready. She got the chromebooks at 4:00 pm and had the 115 9th grade chromebooks all set by first hour the next morning, and had the 6th grade chromebooks ready by the end of the day.
