AGENDA ITEM: 10.2

**TOPIC: ANNUAL REPORT ON CURRICULUM, INSTRUCTION,
AND STUDENT ACHIEVEMENT**

BACKGROUND: Each year every Minnesota school district is required to prepare an Annual Report on Curriculum, Instruction and Student Achievement.

PROCESS: Specific components of the report are required and appear in the attached report. This annual report is due by October 15 so the School Board must approve it by October 1. As has been done in the past six years, administration recommends posting the report on the district web site and having print copies available upon request. Previously, every resident was required to receive a print copy. The 2009 Legislature changed Minnesota Statutes section 120B.11 regarding this report and we are no longer required to submit this report directly to MDE.

RECOMMENDATION: First reading of the Annual Report on Curriculum, Instruction, and Student Achievement.
