

**Purpose**

The District's student dress code supports equitable educational access and is written in a manner that does not reinforce stereotypes and prioritizes building positive relationships between educators and students. To ensure effective and equitable enforcement of this dress code, campus administrators shall enforce the dress code consistently and in a manner that does not:

1. Reinforce or increase marginalization of any group;
2. Result in body shaming based on body size or type; or
3. Discriminate against a student on the basis of race, color, religion, sex, national origin, or disability.

**General Guidelines**

Students shall be dressed and groomed in a manner that is clean and neat and that will not be a health or safety hazard to themselves or others.

The District prohibits pictures, emblems, or writings on clothing that:

1. Are lewd, offensive, vulgar, or obscene.
2. Advertise or depict tobacco products, alcoholic beverages, drugs, or any other substance prohibited under FNCF(LEGAL).
3. Depicts or promotes gang affiliation.

The student and parent may determine the student's personal dress and grooming standards, provided that they comply with the general guidelines set out above and with the student dress code outlined in the student handbook.

Dress code enforcement shall be the responsibility of the administrators on campus.

**Extracurricular Activities**

The principal, in cooperation with the sponsor, coach, or other person in charge of an extracurricular activity, may regulate the dress and grooming of students who participate in the activity. Students who violate dress and grooming standards established for such an activity may be removed or excluded from the activity for a period determined by the principal or sponsor and may be subject to other disciplinary action, as specified in the Student Code of Conduct. [See FO series]

**Exceptions**

In accordance with administrative regulations, an exception to the dress code requirements shall be approved as necessary to allow a student to observe religious customs or beliefs and to accommodate medical or health needs.

**Campus Options**

A campus shall not impose more prescriptive or standard dress code requirements. The intent is to provide a prescriptive dress code that is consistent across all campuses throughout the District. The only exception to this would apply to students in a disciplinary alternative education program (DAEP)/Impact.
