Re: TASB Local Policy Update 122

TASB Update 122 includes 9 recommended local policy revisions based on updates to the Texas Administrative Code, Federal Regulations, and new guidance from the Governmental Accounting Standards Board.

Legal policies are not adopted by the Board and provide a legal framework for key areas of District operation. Local policy revisions require Board action. These revisions are recommended to align local policy and practices with the recent legal policy updates provided by TASB.

Departments that lead the work in these areas reviewed the suggested changes, gave feedback and approved the policy updates proposed. The policy drafts with the proposed revisions highlighted were provided to the Board prior to tonight's meeting for an in-depth review.

Update 122:

CQB(LOCAL)- cybersecurity
CSA(LOCAL)-facility standards
EHB(LOCAL)- special programs
EHBC(LOCAL)- compensatory services and intensive programs
EHBCA(LOCAL)- compensatory services and intensive programs
FEA(LOCAL)- compulsory attendance
FFAC(LOCAL)- medical treatment
FFB (LOCAL) -crisis intervention
FL (LOCAL)- student records

RECOMMENDED BOARD MOTION: I move the Board approve the TASB Update 122 revisions to local policy as recommended.
