

**WOODLAND ELEMENTARY  
MONTHLY REPORT**

January 5, 2015

**ENROLLMENT/ATTENDANCE:**

CAMPUS/PROGRAM	4TH	5TH	TOTAL
WOODLAND	180	180	360
DAEP	0	0	0
ATTENDANCE %	97.04%	96.41%	96.72%

**INNOVATIONS:** The teachers had a work day on Jan. 4th and were able to plan with their content team. They created new project based learning activities that are engaging and aligned to our State TEKS.

We are in the process of installing a new wifi system in our campus. We will have more connectivity even when several classes are utilizing the internet simultaneously.

**CAMPUS NEWS:** We will welcome our new teacher, Kasey Sams to replace Mrs. Bohn. Kasey was a student teacher on our campus during the fall semester. She has been shadowing Mrs. Bohn during the month of December.

We will have two student teachers on our campus this semester. One will be with Mrs. Wakefield, 5th ELA, and one with Mrs. Adair, 5th science.

After school clubs for January are Minecraft and run club.

**STUDENT HONORS:** Our fifth grade students completed the DARE program for the year.

**FIELD TRIPS:** Our fifth grade students attended the "Nutcracker" performance at the Memorial Auditorium.

**PROFESSIONAL DEVELOPMENT:** I attended a leadership training at Southwest Airlines with Mr. Cruse and Mrs. Budarf. The training focused on creating a culture that draws employees and retains them. It was an incredible experience.

**TEACHER/STAFF SPOTLIGHT:** I would like to spotlight Kara Adair, she is an exemplary teacher for 5th grade science and social studies. She lost a long time partner when Mrs. Bohn retired. That team already had one new teacher as a member, now she will have two new teachers to help train and mentor. She maintains a positive attitude while jumping in and helping to lead all others on her team.

**UPCOMING EVENTS:**

**OTHER:**
